SCHOOL OF FAITH

ONLY BELIEVE

A SCHOOL OF SUPERNATURAL MINISTRY

A Word From Our Principal

I'm always excited when new students are considering study. Let me tell you why…

You are unique. You are not just here because your parents wanted a son or daughter. You are here because God decided He wanted a son or daughter and He made you in His image. There has never been, nor will there ever be again, one like you. The body of Christ becomes the most glorious in our world when you realise who you are, dare to believe, and walk in that truth. And that's why we have school.

You were made to need and carry the glorious presence of God and God's presence is not just for the super spiritual. The Presence is not just a necessity for those in missions or ministry. David cried out for God's presence not to leave him, and his call was to be King of Israel! If you are reading this today, no matter what your call - doctor, teacher, apostle, carpenter, missionary, child care worker or prophet - you were designed to be fueled by the presence of God, and School is a great place to discover more of Him.

Also remember, Jesus sent people out two-by-two. We were designed to work with others. Right now, some may feel alone, struggling to find their call, others have studied and now struggle to find ministry partners.

The School is a fantastic place for you to become part of a wider family who are desperate for more of God, and desperate to see His manifest presence honoured across all walks of life, in cities and across nations.

So, remember, you are unique, the "more" of God is available to you, and you don't have to seek alone. Finally, God doesn't drop destiny on you while you sit on your couch. Even if you're praying from the couch! He requires action as a faith response to His call. So whatever stage you're at, respond in faith and take action to get out amongst the people He has called you to be salt and light to. If that's to study at the School of Faith, I wish you an amazing journey, if not, I wish you an amazing journey in wherever He leads.

And wherever He leads, only believe.

Tristan

Welcome to the School of Faith

We are a school actively engaging and changing our city by revealing the supernatural Kingdom Of God. We are bringing revival to our community, praying for people, being hands and feet, bringing hope and joy, and demonstrating the love and power of Christ to our nation.

We are offering a one year course of supernatural ministry training. The year culminates in a mission trip, and springboards students into their passions and purposes with God. We don't graduate from family, so, at the School of Faith, our community remains connected even after the end of the school year.

“Faith does not deny a problems existence; its denies it a position of influence.”

DISCOVER

Most of us have a dream of what we want to be doing for God, but we're not sure about how to make it a reality.

Enter School of Faith.

Who We Are

Raising A Generation Of Revivalists

At the School of Faith we believe nothing satisfies like knowing our Heavenly Father. We've established a place where the presence of the Holy Spirit is honoured and where we can study, worship and learn, seeking for more of Him in our lives. The School of Faith is dedicated to maturing and equipping Christians into the call God has for your life, then partnering together for fruitfulness when you graduate.

We do this by teaching supernatural ministry combined with the natural - helping you to discover, and practically develop your call. The School creates an atmosphere that nurtures and encourages growth in your relationship with God, teaches an understanding of supernatural ministry, and develops a confidence in your ability to walk with the Holy Spirit.

Practical Equipping

The School also instructs on how to apply faith and the supernatural practically to all callings. The body of Christ is diverse, so whether you feel called to medicine, evangelism, science, childcare, the mission field or music, you'll learn how the prophetic, healing, discernment, faith, and other gifts, apply to your profession. You'll learn how living connected to the Holy Spirit and carrying God's glory will extend God's Kingdom whatever your sphere of influence may be.

Let the adventure begin...

"Don't ask yourself what the world needs. Ask yourself what makes you come alive, and go do that, because what the world needs is people who have come alive."

— Howard Thurman

Our Mission

Naturally Supernatural

No matter what your passion, at the School of Faith you'll discover how to pursue your call with God.

In recent years, the founders of the School began to notice a trend - people were graduating from spiritual or supernatural courses and after graduation found themselves lost and unclear on how to practically apply what they had learned. Students knew how to operate in a faith-filled environment inside school, but were a little unclear on how to build the same environment outside of school. Students were becoming discouraged when they returned home, struggling to find purpose in secular jobs, integrate with their home church, or minister and continue to have faith for the supernatural. Training wasn't always resulting in fruitfulness. The School founders set out to fill this gap, instructing students extensively on life after school and how to build a faith-filled environment around you wherever you are.

The School founders know that the supernatural and natural are two sides of the same coin, and to have success in life, training is needed in both. The School of Faith marries teaching a passion for Jesus, supernatural ministry and daily communion with the Holy Spirit, combined with 'natural' skills such as identifying your call, developing excellence in your chosen field, influencing people and partnering together for success. Students are just as likely to stay up all night studying for medical entrance examinations as they are to pray and seek more of the Holy Spirit. So the School graduates students who are just as skilled naturally as they are strong spiritually.

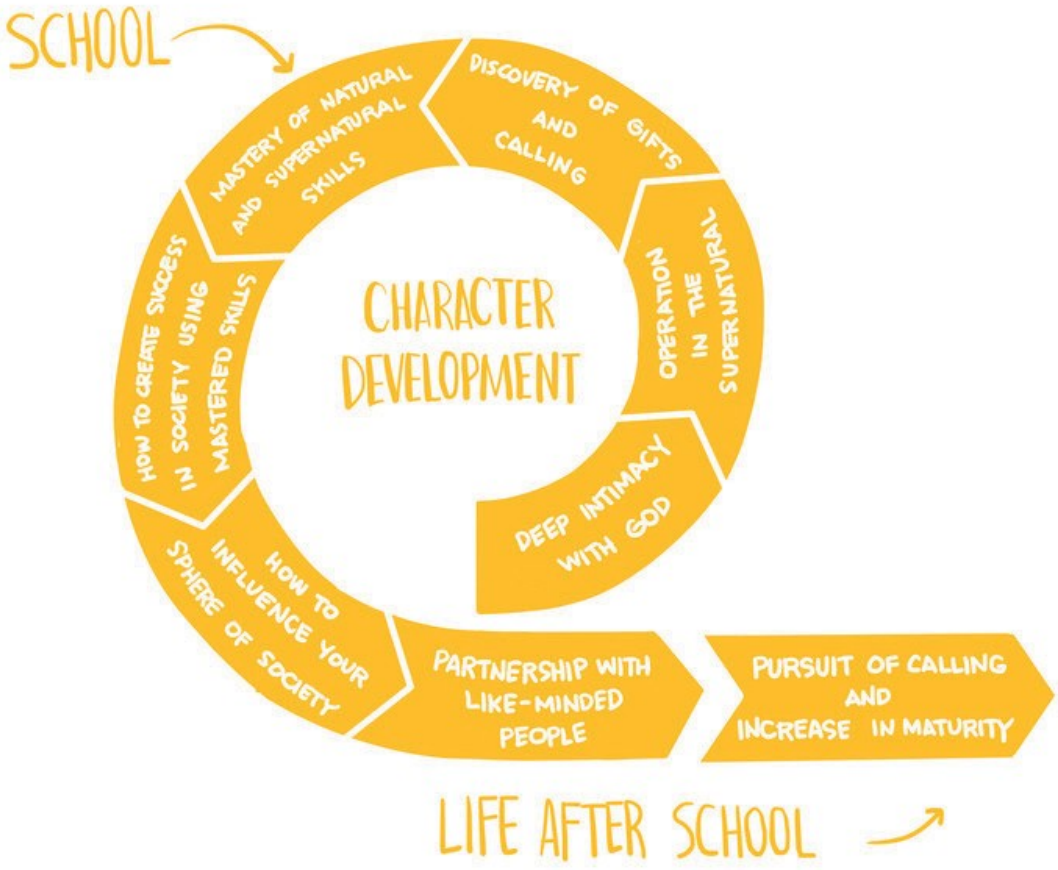
So whether you're a movie-maker in Hollywood, a doctor, dancer or brick-layer, you'll understand just as well as the School's evangelists, prophets and missionaries how God wants you to excel in your gifting and how He has empowered you to do so. **Hell beware the leaven of School of Faith graduates – they're permeating places in all of society!**

"The School of Faith marries pursuing a passion for Jesus, supernatural ministry and daily communion with the Holy Spirit, combined with 'natural' skills such as identifying your call, developing excellence in your chosen field, influencing people and partnering together for success."

Our Methods

The School believes the body of Christ is represented best when all God's gifts are developed fully. This includes gifts such as leadership and administration, healing and prophecy, apostles and prophets, as well as those who understand complex mathematics, those curious about sciences or politics or law, artists, dancers and more. At the School of Faith you'll learn that if it's impossible to please God without faith, then faith is applicable to every job we do.

We believe that each student is unique and so needs flexibility in how they develop at the School. We have created an approach that gives guidance and empowers, but is flexible enough to cater for different callings. We look to develop 7 pillars during a student's time at the School:



Life After School - Partnership Is Key

Maturing into your call is ultimately a life's work and the key to success is partnership. Studying First Year at School isn't designed to be your last year of study, but the first year of diligently pursuing your call, and you'll need support as you pursue your dreams. The School trains students to form relationships in school, so upon graduation, students leave to pursue their calls in partnership with each other and previous years' alumni. Jesus sent disciples out in twos, and the School believes if you want to go *fast* go alone, if you want to go *far* go together.

See **What Will Study Launch Me Into?** for examples of our philosophy in action.

Teaching Techniques

Techniques

We love using the latest and most advanced techniques to best equip you for life. You'll see techniques used at the School of Faith that are common in churches, as well as others, such as ways to rapidly learn languages, ways to increase memory, develop rapport with people, or enabling you to focus on God instead of fear in pressured situations.

Discovery

The School is an environment where students asks questions. The Holy Spirit is the chief instructor on campus, so everyone comes together to diligently seek and find more of Him, through prayer, study, discussion, sharing experiences, and taking action and risks - we risking getting it wrong to hopefully get it right! Or at least to learn something!

Students also learn more about who they are, their calling and passions as they seek God and are exposed to different environments, ways of ministry, and faith-based professionals.

Practice

Students have to be able to move in the supernatural to graduate, so practice is key. The School creates opportunities for students to minister outside to the public, as well as on campus. You'll also find students continually practicing prophecy, healing and other gifts, as they pray for each other and practice listening to the Holy Spirit.

Students also have opportunities to practice art, administration, public speaking and other naturally regarded skills at the School, so when they graduate, students have robust skills to create success in non-Christian environments.

Teachers

Our instructors add three powerful elements - formal instruction, practical experience, and impartation. Our instructors live what they teach, so they'll be sharing tips that have helped them to walk in faith, insight into what practically works, and invite you on ministry with them to practice. They also impart through the laying on of hands, freely passing on the anointing they have received to assist you with moving in the supernatural.

Core Principles

The following are the core principles on which the school's teaching is based. These principles guide us in how to raise fruitful believers.

CHARACTER

Character is the primary focus when developing gifts

The School of Faith stewards it's students by emphasizing development of character to sustain gifting. Character is defined as the inner strength or moral fibre based on private victories that lay a foundation for public success. Character allows you to continue to walk uprightly with God when your gifting elevates you in the eyes of the world. Gifting without the strength of character can cause harm to others and destruction to your life, and as such, the School places heavy responsibility to develop character in conjunction with gifting.

1 Corinthians 13:1-3 NIV
"If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging cymbal. If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but do not have love, I am nothing. If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have love, I gain nothing."

In 1 Samuel 13:13-14 NIV, King Saul was elevated to kingship but was not a man of character and this became his demise.

"You have done a foolish thing," Samuel said. "You have not kept the command the Lord your God gave you; if you had, he would have established your kingdom over Israel for all time. But now your kingdom will not endure; the Lord has sought out a man after his own heart and appointed him ruler of his people, because you have not kept the Lord's command."

POWER

If we are to exhort the world to believe in Jesus, we must first walk in faith and power

Supernatural signs and wonders, in conjunction with the presence of the Holy Spirit, act as a signpost to God. They demonstrate the Kingdom, truth and love that cannot be copied or found anywhere else in the world, and demand a response. We owe the world a spiritual encounter with Jesus that cannot be counterfeited, if we expect people to wholeheartedly give their lives to Jesus.

John 10:37-38 NIV
"Do not believe me unless I do the works of my Father. But if I do them, even though you do not believe me, believe the works, that you may know and understand that the Father is in me, and I in the Father."

Romans 15:18-19 NIV
"I will not venture to speak of anything except what Christ has accomplished through me in leading the Gentiles to obey God by what I have said and done. By the power of signs and wonders, through the power of the Spirit of God. So from Jerusalem all the way around to Illyricum, I have fully proclaimed the gospel of Christ."

INCREMENTAL SUCCESS

Success built incrementally is lasting

God doesn't tend to drop great resources such as finance, skill or revelation on a person, but rather He builds these gradually. The journey is where you learn to steward well what God has given you, and the journey builds strength so your success doesn't overcome you. Quick success that takes you beyond where your character can sustain you, can destroy you. It creates burnout and ungodly attitudes in you. God holds us responsible for stewarding the gifts and resources He has given us, so God tends to release them gradually, giving us what we can steward well, as we seek Him for increase.

Deuteronomy 7:22 GWT
"Little by little he will force these nations out of your way. You won't be able to wipe them out quickly. Otherwise, you would be overrun with wild animals.."

Proverbs 20:21 NIV
"An inheritance claimed too soon will not be blessed at the end."

Proverbs 13:11 NIV
"Dishonest money dwindles away, but whoever gathers money little by little makes it grow."

Matthew 7:7 NIV
"Ask and it will be given to you; seek and you will find; knock and the door will be opened to you."

Romans 5:3-4 NIV
"Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope."

DILIGENCE

The way we preform a task is often just as important as the result, although often not seen

God gives us increase when we steward well what we have received. This applies to administration of ministry as much as the spiritual gifts used to minister. To excel we need to master the spirit, soul and body that God has given us, using our time, influence and other resources wisely to build people and His Kingdom in love. We diligently study and work to ensure we uplift (and not harm) others and ourselves.

1 Corinthians 9:25-27 NIV
"Everyone who competes in the games goes into strict training. They do it to get a crown that will not last, but we do it to get a crown that will last forever. Therefore I do not run like someone running aimlessly; I do not fight like a boxer beating the air. No, I strike a blow to my body and make it my slave so that after I have preached to others, I myself will not be disqualified for the prize."

Proverbs 10:4 NIV
"Lazy hands make for poverty, but diligent hands bring wealth."

HONOUR

Honour is tantamount to success in the Kingdom - honour for believers and non-believers is a priority

A culture of honour is the good soil that manifests the deeper things of God. God directs us to honour people always – God is love and love always honours. The Bible teaches honour your father and mother, honour your leaders, slaves honour masters, and we see David acts after God's heart when he honours Saul. Honour places the correct value on another human being, a son or daughter of God, and says you have value by birth, regardless of action. Honour says even if you have sinned, you have value, as Jesus demonstrated for us on the cross.

You can receive from the bounty and gifts of those you honour, such as those who honoured Jesus and received miracles. When Jesus was not honoured in His home town He could do few miracles – not because He had less power, but the Father's servant received less honour and so mighty miracles were not released. When we pray for our leaders, we live peaceful lives. When we honour a prophet because he is one sent from God, we can receive of his gifts; we receive a prophet's reward. Love upholds honour always and respects decisions even if they are not to receive Jesus. The Holy Spirit is a gentleman and we are to follow His example. The Holy Spirit celebrates environments of honour, and as such the School is a place of honour, always.

Matthew 10:41 NIV
"Whoever welcomes a prophet as a prophet will receive a prophet's reward, and whoever welcomes a righteous person as a righteous person will receive a righteous person's reward."

1 Corinthians 13:4-8 NIV
"Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away."

FAITH

Only believe

The finished work of the cross gives us everything we ever need, and as Jesus says, our place is to only believe. He exhorts us to have faith in every circumstance saying that nothing will be impossible for us. Therefore, we take things that God has spoken, and in a response of faith, we act, trusting that God will bring to pass what He has spoken. For example, Jesus says to lay hands on the sick and the sick will recover – therefore as a response in faith to this statement, we take action to lay hands on the sick trusting that God will meet us and the sick will recover. We believe for provision when He gives us direction, we believe He has a plan for our lives and in response seek to uncover what He has hidden to keep safe specifically for us. We study at the School to make this a reality in our lives, purging ourselves of fear and doubt, to only believe.

Ephesians 2:8-9 NIV
"For it is by grace you have been saved, through faith and this is not from yourselves, it is the gift of God, not by works, so that no one can boast."

Hebrews 11:6 NIV
"And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him."

LOVE

If we don't have love everything else we do is for naught

The primary reason we act is out of love – God's love for us, our love for Him, our love for others and love towards ourselves. God is love, and without love we have naught. Love helps keep our motivations right, and is the foundation the Kingdom is built upon. If we have excellence but not love, it is a cold, clinical excellence. We exist to love God and others, and live to demonstrate His heart to the world. Love empowers us supernaturally today, as it did 2,000 years ago on the cross. Love conquers all.

1 Corinthians 13:1-3 NIV
"If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging cymbal. If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but do not have love, I am nothing. If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have love, I gain nothing."

Statement Of Faith

WE BELIEVE THAT...

The Lord God is the only one true God, He is eternal, without beginning or end. He has created all and is the redeemer of all creation. He exists as one being in three persons, the Father, the Son and the Holy Spirit. He is loving, just and truthful.

The Bible is the inspired and authoritative Word of God and is applicable to our daily lives.

Humankind was created in the image of God to live in relationship with Him. The first man and woman disobeyed God's command, which brought about sickness, death and judgment, separating humankind from God and subjecting creation to the consequences of sin.

The Lord Jesus Christ is the one and only Son of God. He was conceived of the Holy Spirit and was born of the virgin, Mary. He was sinless, and was crucified for our sins, died, was buried, and three days later resurrected, ascending into heaven.

We are saved by God's grace through the redemptive work of Jesus Christ on the cross. He has provided us freedom from the power of the enemy and restored our fellowship with God through faith, by believing in Him as our Lord and Savior.

The Holy Spirit convicts, regenerates, justifies, and adopts us as we enter the Kingdom of God as His children. We are gifted by the Baptism of the Holy Spirit and enabled to minister supernaturally to bring witness to God's power.

We are transformed so that we can live healthy and prosperous lives in order to effectively minister to others.

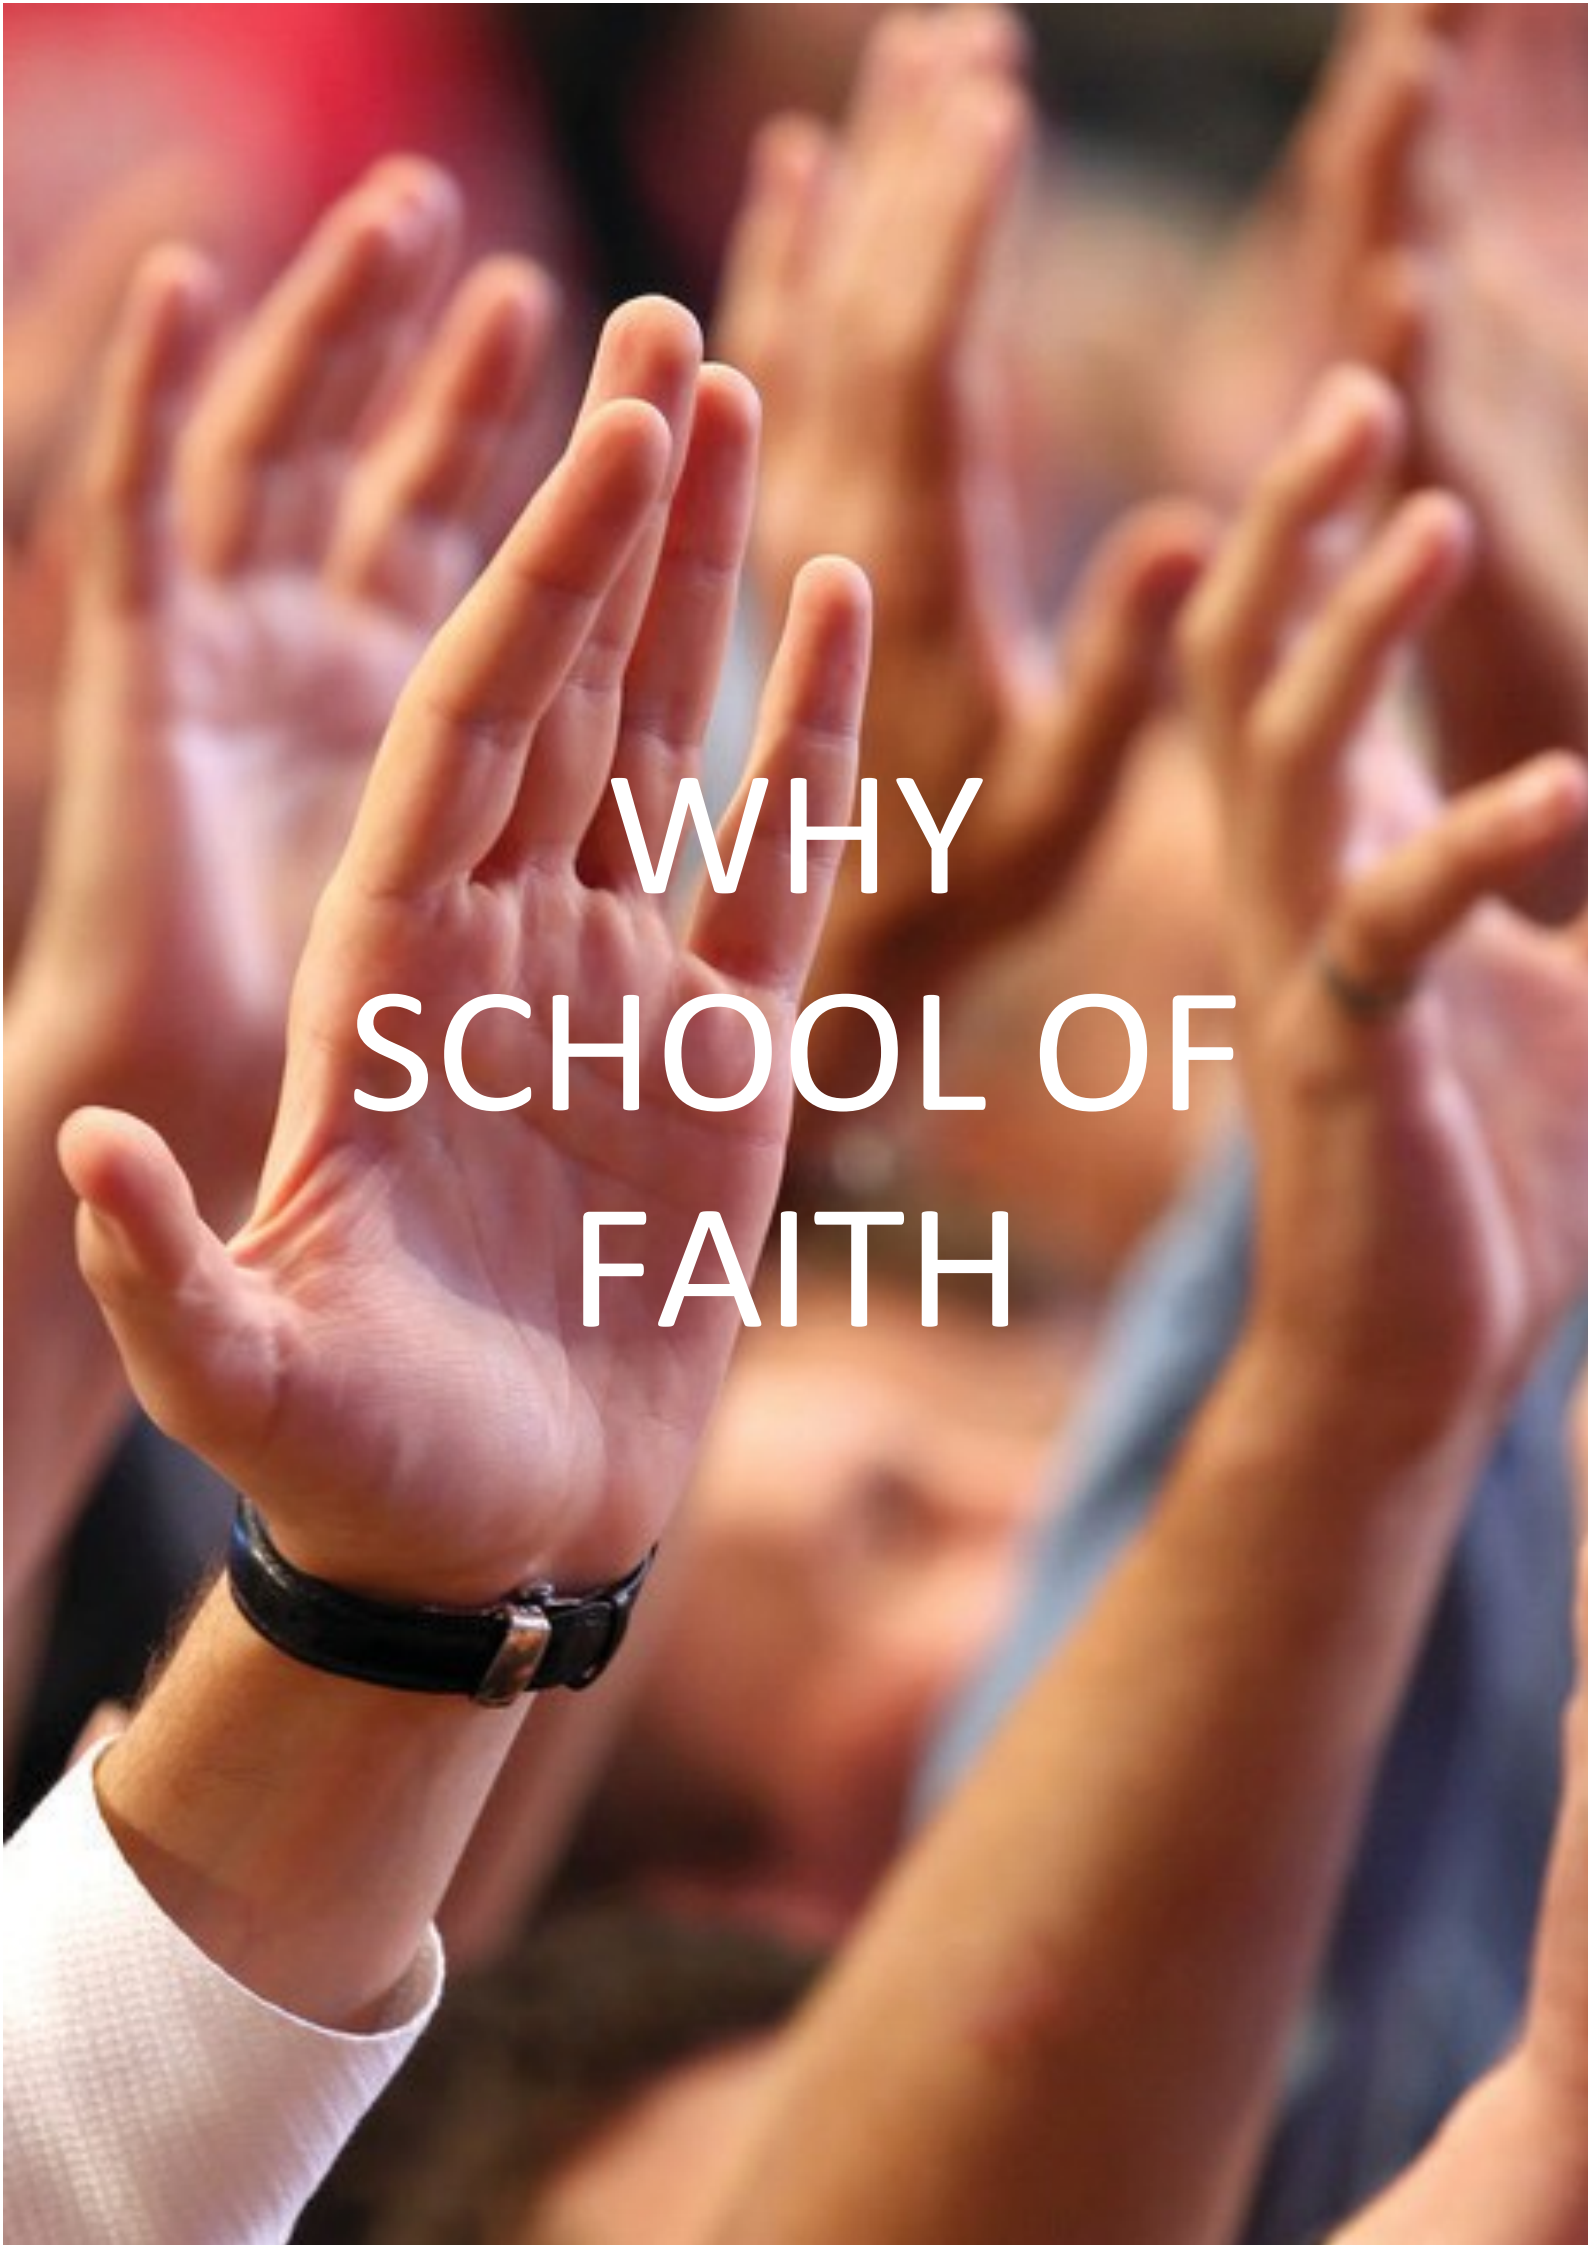
The Church consists of all who put their faith in Jesus Christ. He gave his church the ordinances of Baptism and Communion. The Church exists to carry on the ministry of Jesus Christ and further advance His kingdom by undoing the works of the enemy, preaching and living the good news of God's love, discipling the nations, healing the sick, delivering the oppressed, baptising and teaching them to love others and to love and obey God.

Heaven and hell are real places and our eternal destination is determined by our response to the Lord Jesus Christ.

As promised, the Lord Jesus Christ is returning for His glorious bride, the church.

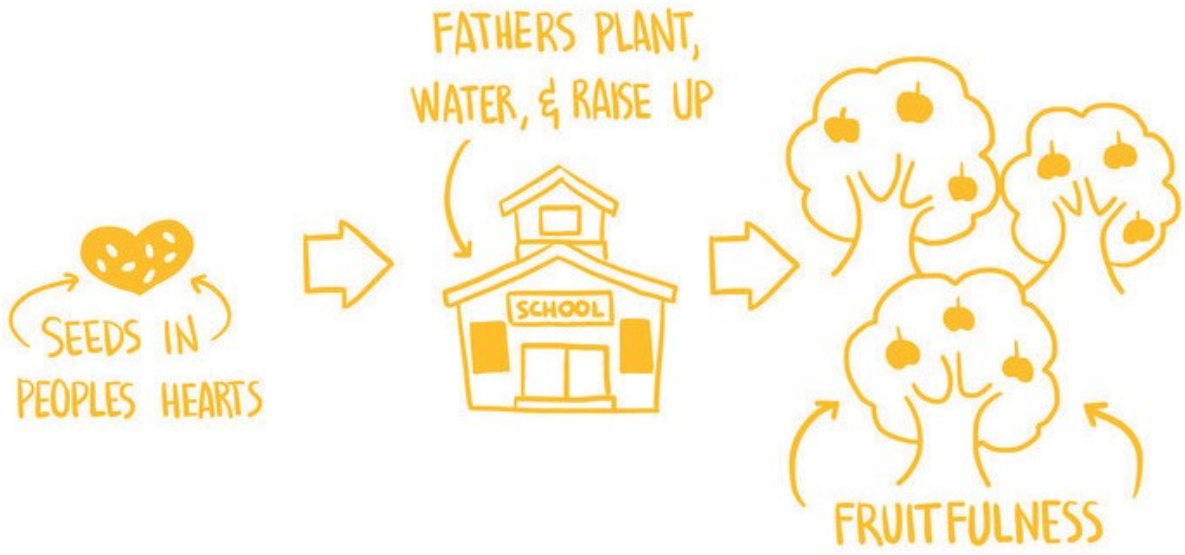
Core Values

We also have several core values that we emphasize at School, core values we share with the Bethel School of Supernatural Ministry. For a list of these values we uphold, visit the BSSM website at www.bethel.com/core-values.



WHY
SCHOOL OF
FAITH

Why Study?



The human spirit was made to be fathered and raised up. We already have many great teachers. Now we need spiritual fathers and mothers, or 'mentors' to raise us to walk in what we have learned, and empower us to be who God has made us to be.

A Raising Up

God often calls us, and then **there is a period of character building** and **developing skill before we enter into our calling**. Just like for David, when Samuel anointed him to be King over Israel, there were years of preparation between God calling David to be King and David taking up his post. David learned how to lead, how to be humble, and how to know God's heart before he needed these skills, and they laid a foundation for him to be a strong King. School will help you develop, as well as guide you through the preparation journey so you're not "wandering the wilderness for 40 years."

The journey is much like shaping metal, we are often put into the fire of adversity, then shaped and allowed to cool, before going back into the fire again. This process can't be rushed or circumvented, but it can be guided, allowing the process to occur efficiently. **The School aims to guide and teach lessons learned from previous generations to save you from reinventing the wheel** on your way to your destiny, and avoid extra hammering...

Practice Before The Game

Just like in sport, the best players have practice behind them and know they can succeed before they step out onto the field. We often say "God doesn't call the equipped, He equips the called". When we feel God's call, our next step is to practice and become equipped so we can step out onto the field knowing we'll succeed. School is a place where you'll have a safety net to practice what the Bible teaches, through ministry opportunities that allow you to move in the supernatural, development opportunities on campus, and practice in and out of class with other students.

> *"Do not neglect the spiritual gift that is in you...Practice these things and devote yourself to them, in order that your progress may be seen by all."*
>
> *— 1 Timothy 4:14-15*

Journey Of A Lifetime

We believe that studying at the School can be the start of your 'journey of a lifetime'. Whether you are looking to spend a year exploring how you can best serve God and fulfill your calling, spend a year going deeper with God and discovering a greater measure of His indwelling, or spend a year creating strong relationships with other students to extend Kingdom influence, there is something here for you.

Is The School Of Faith For Me?

We believe there is nothing else in life like knowing your Heavenly Father! For us, walking with God is the only thing that truly satisfies, and through faith He makes our endeavors successful. You were made to be glorious the day God created you - the day He chose to make a son or daughter. If that stirs your spirit, then come realise your potential and become everything God made you to be.

The School of Faith takes students of all ages, aiming to raise you into your call. So if you feel like you aren't walking in your calling yet, or you want to pursue more of what God has for you, or learn to operate as a supernatural son or daughter, then School is the right place for you.

Our Students

School of Faith students love pursuing more of God and His presence, are willing to diligently seek, to get outside their comfort zones, and be bold in taking risks. You'll hear a lot of joy and laughter on campus as students celebrate everything the Holy Spirit is filling them with. People dance, love music, love sport and love one another. Truly a Heavenly atmosphere!

Students also work diligently throughout the year at their studies, in worship and prayer, and in practical exercises to further develop their skills. Whilst attending the School is often an amazing time journeying with extraordinary people, it is not an easy year. Students expecting a contemplative year on the couch socializing with friends will be disappointed. We honour each other when we give our best, adding to the community of the School, and this is a standard all students must uphold to continue study.

Life Goals

The School welcomes people who don't plan on entering traditional ministry at the end of study just as much as those seeking to be pastors or church planters. In the Bible, Paul lists many gifts from God, but he's never trying to create a comprehensive list. In truth, God gives many more gifts such as musicians, artists, software engineers, those curious about sciences, those who understand complex mathematics - and the body of Christ is represented fully when these gifts are honoured and developed. The supernatural applies as much to ministry as it does to music and medicine. So whether you're a full-time mum or studying politics, the School welcomes you if you seek more of God's presence in what you do.

Finance

Financial diligence demonstrates good stewardship and the School expects both diligence and faith to be applied when considering financial costs of study.

If attending the School excites your spirit, we encourage you to seek God in prayer. If you feel a peace or if you feel God leading you to study, then respond in faith and take action to apply. Then trust that as you seek, God will provide. This may be through a part-time job, saving money before study, partnership with others or other means. The School has a payment plan to aid students consisting of four installments throughout the year.

Students will also have enough time to work part-time whilst studying.

Students are also encouraged to tell people about their financial needs, so a student's local church community and others can partner with them to release students to study.

Life Stage

School students can range from secondary-school leavers, and those of university age, to married couples and empty-nesters looking to give more time to study or ministry. The School is a great place to bring together generations to learn from each other and build unity across age ranges, creating great strength and diversity.

Whilst the School tends to suggest students be over 18 when commencing study, we do accept applications from anyone older than 17.

Faith Background

The School expects you are presently part of a church community, but the School is non-denominational, so all denominations are welcome to attend.

Whilst instructors at the School will lay a foundation for faith and who we are in Christ, School training is mostly suited to those who are already walking out a journey of discovery with God. Whilst those who have recently accepted Jesus can apply, extra study may be required to come up to speed with other students.

If you're looking for an atmosphere where people seek the deeper things of God, you're in the right place...

What Sets The School Of Faith Apart?

The School of Faith is an environment where we don't just study supernatural ministry, we live a supernatural lifestyle. We are releasing a new generation of believers who don't judge the world, but love it as Jesus did, and who are equipped to come alongside it to demonstrate and reveal God. We emphasize being in the world but not of it, and 'spitting out the bones' - to not accept what is ungodly, but to celebrate what is excellent. We use influence like Jesus (bold, tender, powerful) to bring cities back home.

Worship Culture

At the School, students put Jesus at the centre. Knowing Him, His compassion and His power are our primary goals. Worship is a key activity in our daily school lives, and as we worship we break through into new realms of intimacy with God, joy and freedom. We become like the one we worship, so we spend a lot of time worshipping to become like Him. Worship honours the Holy Spirit and creates room for Him to move and touch us as we allow Him to lead. We steward an honour-driven, faith-filled environment of worship to host extra-ordinary manifestations of the Holy Spirit. Our worship also extends into obedience to His leading and His Word in our lives.

Atmosphere - Faith in Action

Our people practice living faith and that means *action*. At School students have a safe place to practice and extend their faith. In the words of Oswald Chambers "faith is spelled R-I-S-K", so the School creates an environment where you are encouraged to take risks to deepen your faith whilst covered by the safety-net of instructors during class time and ministry opportunities. The faith-filled environment makes you believe **nothing is impossible**, so students respond boldly by learning something one day and taking action the next, practicing and applying what they learned to life now – and we all benefit as they bring God's Kingdom.

The School teaches bringing God's Kingdom to Earth as it is in Heaven, so you'll find a lot of people helping to create a slice of paradise here on Earth.

Father Heart

At School, spiritual Fathers or mentors give us the confidence to try new things and break new ground. They encourage us to go where we haven't been before. God designed family so we would have older generations to raise us into maturity - we naturally and supernaturally start as children and grow into our calling. The School of Faith burns bright for this reason - to get behind a generation of God's children who shine with His glory inside them. And we think you'll feel at home in the School of Faith family.

Our School is built on apostles, prophets, pastors, teachers and **evangelists**, and people called to practically equip the saints as spiritual parents. Our instructors also teach in areas they are operating in right now. The School was established by people who themselves have studied, either at the Bethel School of Supernatural Ministry or other such institutions, and who understand your journey. So your tutors are committed to your success and equipped to help get you there.

Personal

The School takes great care in knowing each student, and is equipped to offer you tailored guidance to empower you to step into the unique call God has for your life. You'll also find a cohort of like-minded students, enthusiastically seeking more of Jesus alongside you - friendships we hope you will continue in for many years to come.

"We believe that students come to School for instruction, but stay for the heart."

Kingdom Culture

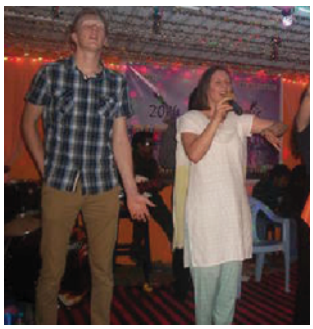
The School embraces Kingdom values, believing that we are supernatural royalty as God's sons and daughters, and able to extend the Kingdom. We live lives that are **naturally supernatural**, incorporating walking with the Holy Spirit in everything we do from study to gym workouts and our jobs. We believe a richness is found when we honour the diversity God created. God values **beauty** (evident in creation), so you'll see beauty exalted at the School – beauty in the campus, beauty through art, literature, and even beauty through mathematical order. **Creativity** abounds at the School, including creative ideas in the way we teach, to students writing music or creating a business idea. **Diligence** is demonstrated as we pursue excellence in the work we do. **Honour** is also paramount, as we value men and women as sons and daughters of God, the way He made us.

Our environment creates **freedom** where students have **responsibility** for continuing to reveal all that the Kingdom contains.

A Movement

In life, people don't 'graduate' from being part of the family and the same is true at the School. You'll be graduating to join a revivalist movement. Many Bible college students struggle after study to find where they fit. School life will equip you to join past students and other revivalists to partner to change whole areas, cities and nations. You'll find projects the School is running in missions in Australia and overseas that you can join. You can even birth your own ideas with people who share your values, who will encourage you, continue discovering with you, and can minister alongside, as you continue to develop your call.

We place special care on ensuring people you may minister with after your time at the academy have different skills to you, so that together you can create sustainable ministry. The School has a saying "no starving missionaries", and when we combine our diverse skills to bring God's Kingdom the fruitfulness He brings is more than enough!



STUDENT
LIFE

School Culture

The School is a free environment, guided by values rather than rules, so you'll find great fun and encouragement, as well as responsibility and accountability, built into the culture of the School.

Atmosphere

We say that **honour** is the good soil that manifests the deeper things of God. We have a strong **worship** culture at school that honours the presence of the Holy Spirit. We also honour His presence outside of worship sessions in the way we conduct ourselves, as living sacrifices. You'll see students honouring each other, encouraging and supporting one another, which contributes to the corporate blessing that comes from unity.

"A day without laughter is a day wasted"

— Charlie Chaplain

We find you can learn as much from dancing with **joy** as you can from reading about identity, and laugher can soothe the soul and propel us into new realms of hope! So we try to have as much fun as possible, and students quickly get to know each other, becoming a tight-knit community. The School is an environment where students feel **safe** to be themselves, try out the new skills they have learned, and give up what they fear to lose, to see breakthrough and growth in their lives. This joy and trust are a must for later mission trips!

We also have a strong culture of **faith**. Our students take God literally when He said seek and you will find. We are bold in belief, so we look in new places and try new things to help us discover more of God. We step out in faith when we shop for groceries or go out for dinner, praying for people as we go, releasing healing or giving prophetic words. With so many people believing together you can't help but think **anything is possible** with God!

Discipleship

School instructors greatly believe in the students they accept to study, and so they also believe you have great potential to achieve, and will challenge you to fulfill your potential. Expect to be encouraged, expect to be stretched, expect to be uncomfortable, and expect that your instructors will be with you every step of the way. Your instructors will be some of your greatest advocates, and as they get to know you they will help you to develop character, encourage you to make tough decisions, and in love call you up if you're not performing as they believe you are capable. They want you to reach your goals sometimes more than you do!

Life-long Friendships

Amazing students of all backgrounds are expected each year at the School. We expect that as you honour each other and grow closer, you will develop lifelong friendships we hope you will continue in for years after study. As we bring together like-minded students, their diversity and commitment to each other bring a richness that honours us with a slice of what the Kingdom looks like. For this reason dating is permitted at the School, and in this environment of freedom we are responsible and accountable to each other.

Accountability

We have a responsibility to each other as a community to act in a way that honours God and hosts the Holy Spirit's presence well. Each student will have a small accountability group of three or four men or women to meet with regularly to journey through life and develop character. We also keep accountability with the School body as a whole. Unity commands a blessing, and so we are accountable to each other to steward unity well by acting honestly, transparently and confronting attitudes or behaviours that don't align with our principles.

Diligence

We practice good stewardship by acting faithfully now in the way we behave when we study at the School. Diligence means we act with high standards in areas like attending class on time, submitting work of a high quality, taking initiative to learn, and using our time well to seek God in and out of class.

Class Size

Students study in large groups in lecture-style settings, as well as smaller practical 'working groups', 'ministry groups' or 'Revival groups' of approximately 15. 'Mentoring groups' are often based on interests or development needs so vary in size accordingly, and mentoring also occurs one-to-one for all students. Accountability groups are usually 3 or 4 members strong.

International Students

Start living a supernatural lifestyle by joining us on the mission field. Your faith activates when you step out!

The School of Faith welcomes students from all around the globe!

You can choose between **full-time study in** Melbourne, and we also run a **part-time** version of **Bethel's School of Supernatural Ministry** course in Australia. Part-time study is done from your chosen Australian state, with local fortnightly classes and 2 weekend intensives per year. You'll do outreach, activation, and the course finishes in an *extra mission trip to India!* You can't help but grow.

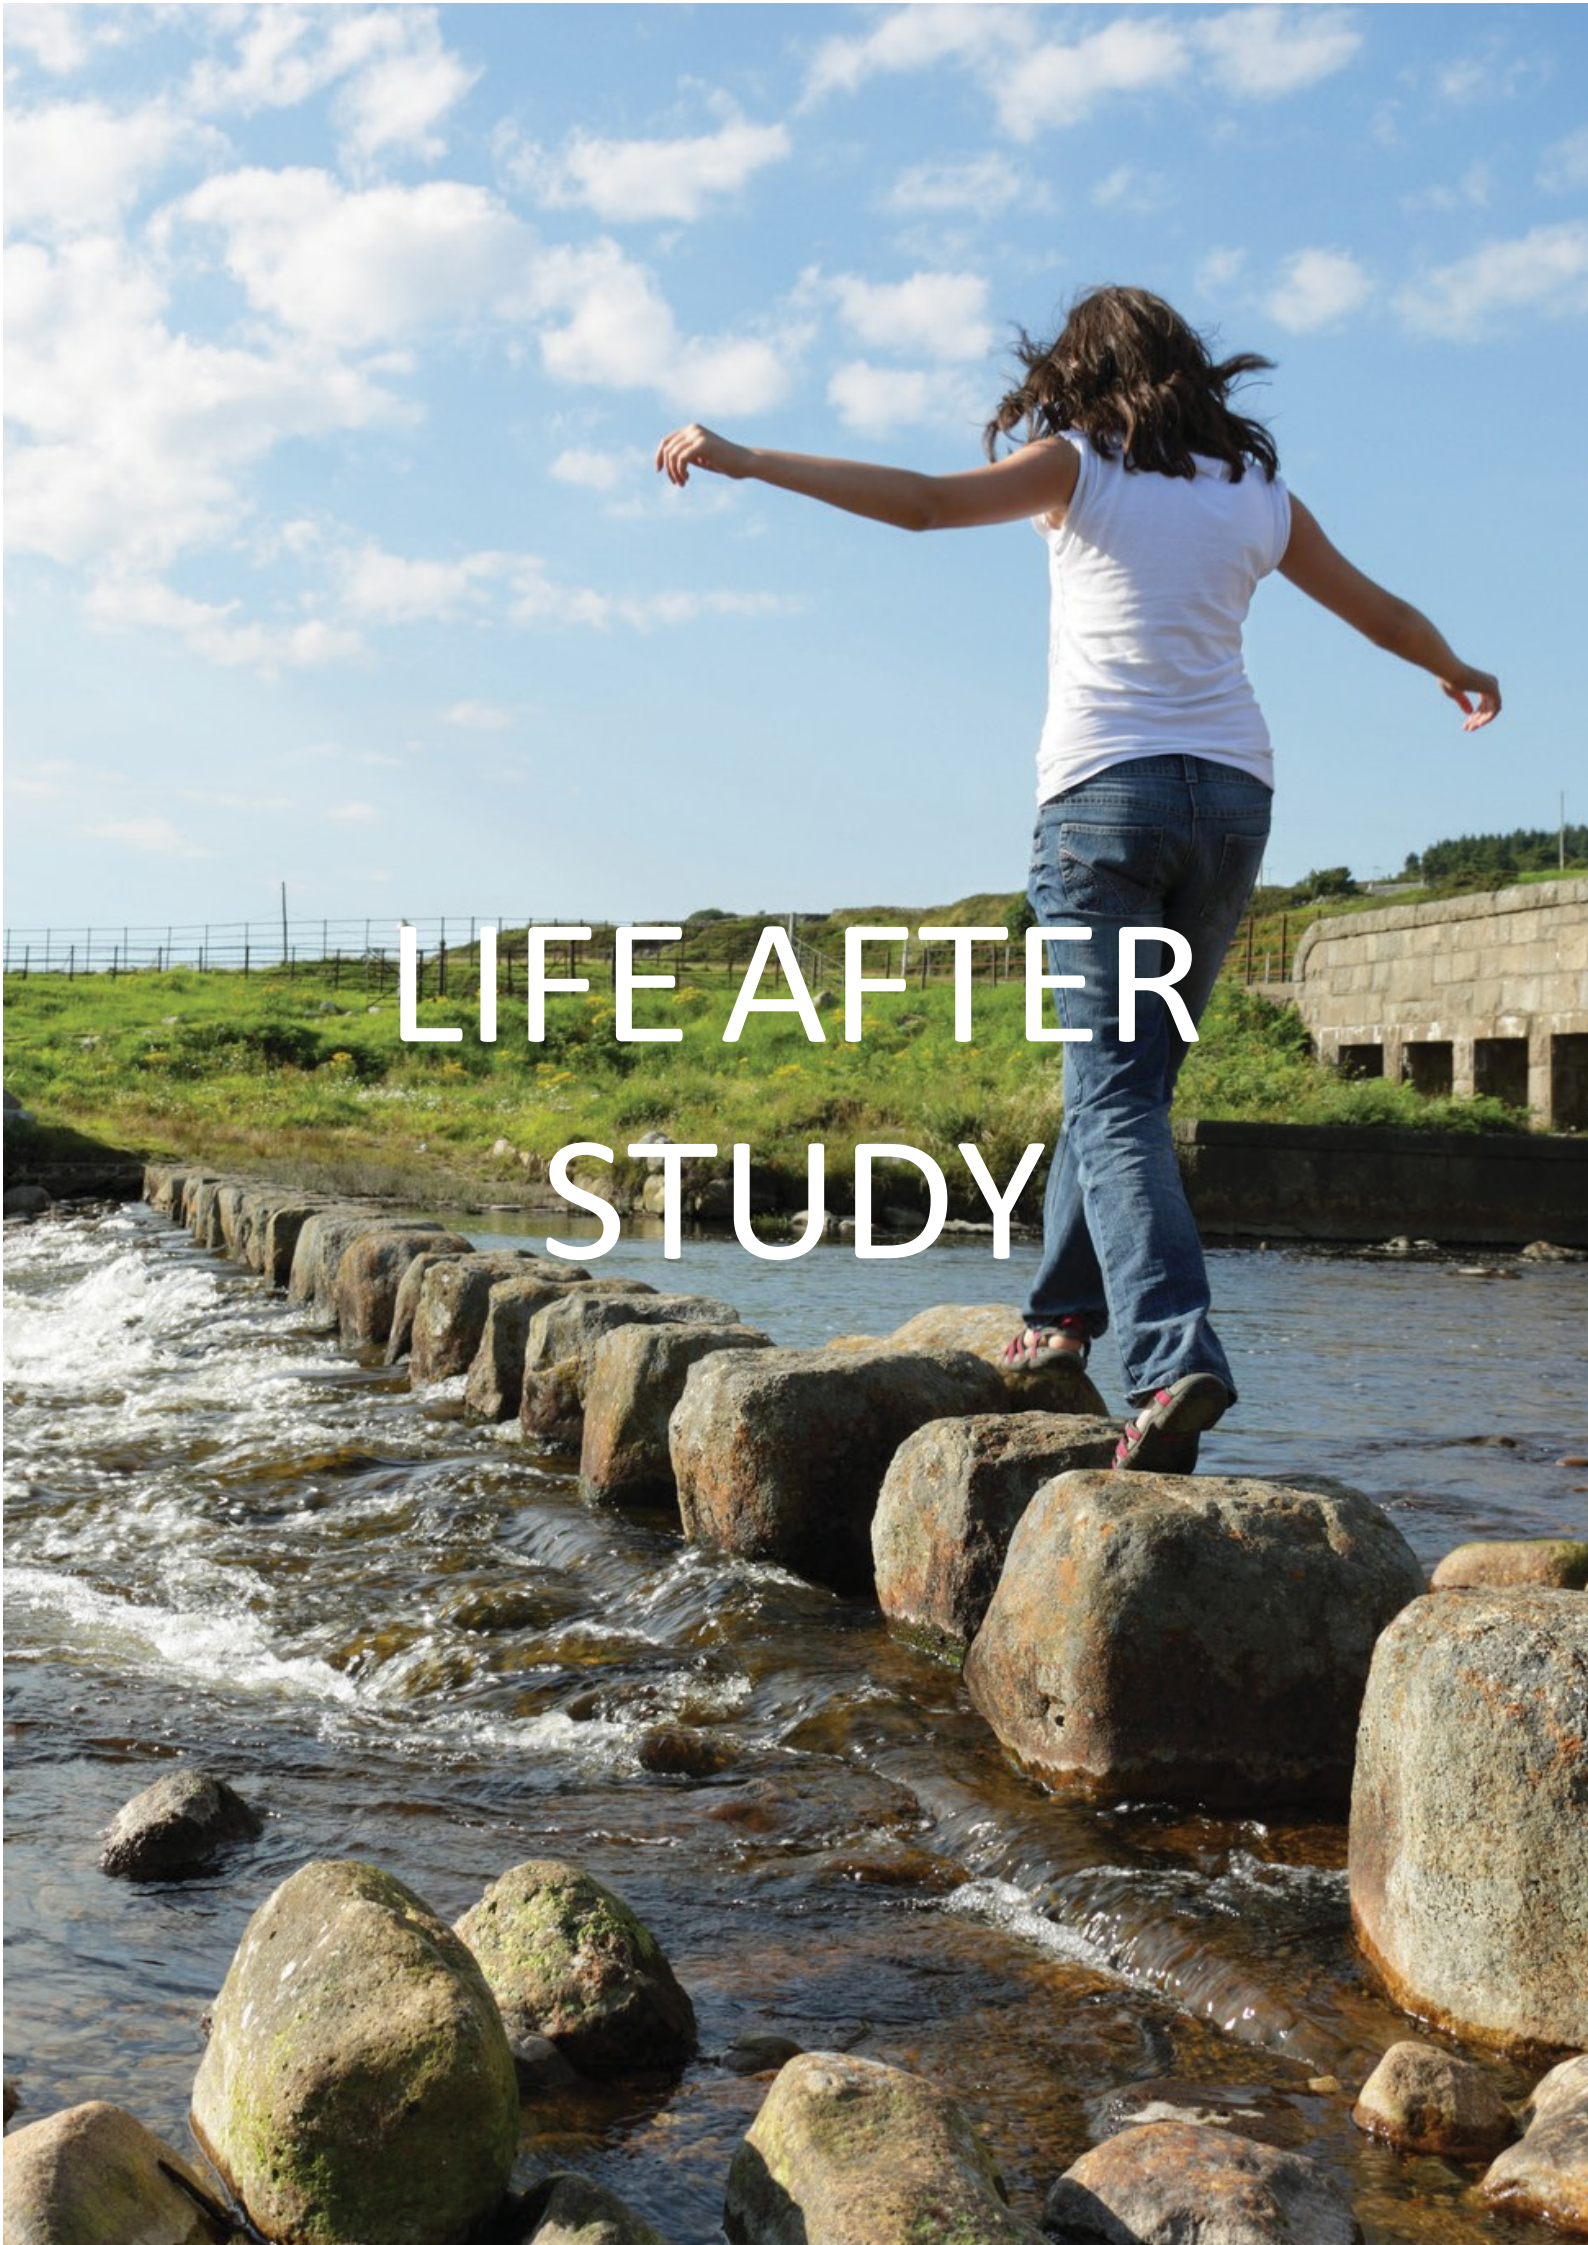
At School you'll find people walking as God's sons and daughters, and you'll join them to demonstrate His heart by releasing healing, prophecy, miracles and Heaven on Earth to local people. Remember God made you glorious to represent Him!

There are both joys and challenges of living overseas and we're here to assist you with adapting to life in Melbourne if you choose full-time study, whatever your needs may be; visa requirements, doctors appointments, public transport, accommodation or dealing with culture shock, we will do our best to help you! We want you to feel as comfortable as possible, as soon as possible. We know it's a huge decision to leave your home, family and friends and we honour you for considering this step.

Important information to consider:

- Visa required is an Visitor Visa (Subclass 600) available online here. (https://www.border.gov.au/Trav/Visa-1/600-)
- Tuition fee: 6,470 AUD for full-time, $40 per week part-time (includes all teaching fees and intensives).
- Tuition does not include your travel costs to Australia, visa costs, medical, travel insurance or spending money.
- Optional India mission trip is an additional 2,500 AUD approximately (includes all Indian Visas, airfares, accommodation, food and ministry costs).
- There is only one application form for all students.
- All study is in English.

“Faith is the kind of immune system filtering our fears that otherwise would paralyse all activity.”



LIFE AFTER
STUDY

What Will I Have Developed By Graduation?

Natural • Supernatural • Partnership

By graduation you'll have developed skills in three key areas, the natural, supernatural, and partnership. At School we say that developing these skills is like having the right tools for a job. For instance, I can break a loaf of bread with my hands, but it will cut much easier and evenly if I use a bread knife. Developing your faith and gifts is like becoming an expert with a bread knife - your tools equip you to create precision and success consistently. You'll also develop wisdom to know which tools to apply and when.

Supernaturally, you can expect to have an understanding of how to walk with the Holy Spirit and carry His presence, how to tap into your faith and apply it to circumstances, the nature of spiritual gifts and have developed ability to move in them, and how to combine these three elements to minister in supernatural power.

Naturally, you can expect to be clearer on passions that you intend to pursue, as well as having gained focused skills to take you there. Such skills include how to build rapport with people, develop friendships and influence people, how to set and achieve goals, critical thinking, enhanced memory, discipline, how to be confident in God's will, overcoming obstacles, understanding mistakes of past generations to avoid, being humble but confident, and more.

In **Partnerships**, you will have developed friendships with classmates and like-minded people, who you can partner with to fulfill God's call on your life. You can expect to be part of the School of Faith community, and join with ministry projects the School administers to win souls, strengthen the body of Christ and influence nations, both during study and after.

Outcomes of Study

- Greater intimacy with God that will guide you for the rest of your life
- An understanding of how faith affects all aspects of life and how to use it to be successful
- Confidence in your ability to pursue your call and clarity on the next step to take
- Diverse, faith-filled friends and ministry partners who could form your team for your life ministry
- Confidence to move in the supernatural and extend the Kingdom, creating faith where there was no faith before
- Ability to win people to see with Heavenly attitudes and influence your sphere
- Diligence to see your dream through
- Boldness to be a man or woman of action
- Character that brings increase
- An attitude of honour

Our encouragement to you is, if come open and are prepared to be teachable, to be challenged, and to invest time and energy to become all that God has created you to be, then you will position yourself to reap all that our good Father has for you.

The School of Faith does not award Higher Education qualifications such as Degrees, Diplomas or Certificates. The School does not ordain ministers as some Bible colleges associated with denominations. You will be certified as having completed First Year and be able to partake in future School alumni ministry activities.

What Will Study Launch Me Into?

You will be equipped to pursue what makes you come alive...

After studying First Year at the School of Faith, you should feel equipped to pursue your passion. We aim to ensure that when you graduate the School, you will clearly understand your next step towards pursuing your call and are resourced to take it. This could be further study in a course specific to your chosen vocation (like dance), a longer-term mission, starting a local ministry, a second year at School, or more.

The period that directly follows study is **critical**. You will be moving out of a protected learning environment into a more self-directed environment. The School founders believe this is one of the most important development times in your life - so your next step after study receives great focus during School to ensure it is done well. It is at this point, as you are sent out, that partnership becomes critical.

The Importance of Partnership

God made us to thrive when we work together. The School is building a movement and training a wider family who have the **same values** but **diverse skills**, who can work together after study to extend the Kingdom. For example, you may choose to start a church in an unreached place. Your team from School may have students who are strong in administration, business entrepreneurship, building relationships with people and preaching gifts. So when you all work together you aren't just a ministry team, you're a power team who can be self sustainable and reach out to change whole areas. There is no need for starving missionaries.

Did you know...

John G. Lake was a successful real estate broker before his healing ministry, and Smith Wigglesworth had his own plumbing business.

OUR
COURSES

First Year Course

Learn to operate in the supernatural...

Learn to live a *naturally supernatural* lifestyle through the full School of Faith First Year course featuring the Bethel School of Supernatural Ministry curriculum.

The course is intended to teach you to carry God's presence, operate in the supernatural, and move in your gifts and passions. You'll also gain ministry experience and learn practical skills to fulfill your call - all as we minister to the people of Australia. When you graduate, you'll also have established a network of people to partner with you in your next step.

MODE OF STUDY

FULL TIME

9 month BBSM course + mission trip
5 hrs/day | 4 days/wk
all on campus

(continues into 2nd year)

PART TIME

9 month BSSM course + mission trip
6 hrs/wk online and live training
Fortnightly local hub group classes,
face-to-face or online
&
2 intensive weekends
(continues into 2nd and 3rd years)

"[Our instructors] inspire leaders into the impossible and set fire to complacency. They inspired me to become more dangerous for Jesus and take on challenges that I otherwise would have felt ill-equipped for.

- Maie, Ministry Training 2016

"I began to walk with great faith and boldness into any AND every situation because I started to understand for myself what it meant to be a child of God.

- Kate, Mission Training 2014

"It was new teaching on the supernatural I hadn't heard before which I have seen fruit from and has lead me into deeper intimacy with God. What I liked most though was that we practiced doing what we were learning in the training session.

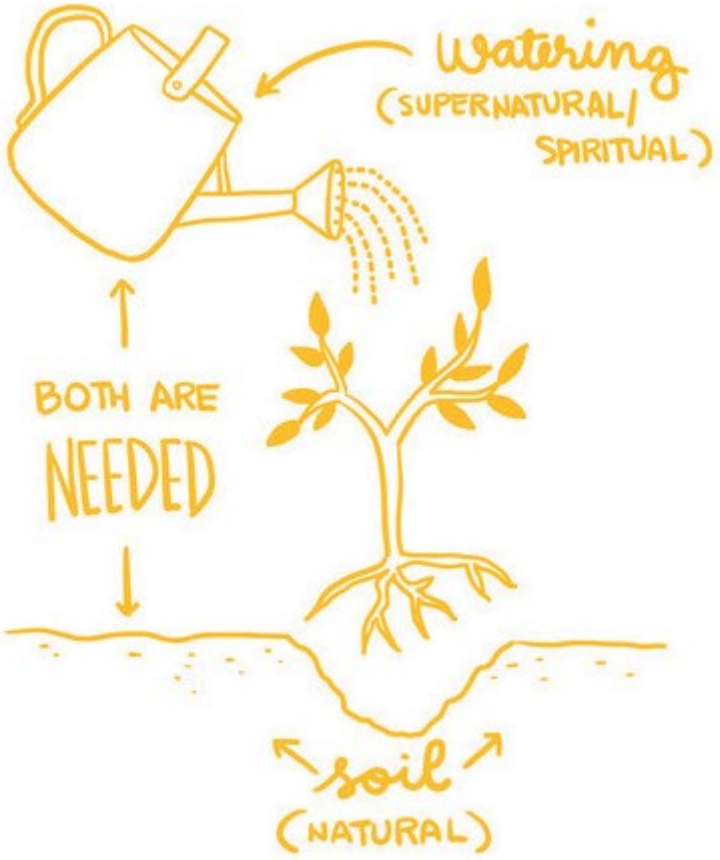
- Phil, Mission Training 2015

More About the Course

The First Year course is comprised of lectures, practical tutorials, experiences, mentoring, and outreach that culminates in a missions trip. The course can be studied as a full-time course during weekdays, or part-time from home with fortnightly local hub classes (and 2 intensive weekends per year). If there isn't a group in your area you'll journey with a group online and meet at the intensives.

In First Year you'll discover and unlock what is already true in you. You were made glorious from your first moment, many of us were just never told! As Jesus restored everything to you on the cross we know the battle is now for the mind to activate what we already have. First Year will demonstrate who you are and what is already yours, and give you experience in taking hold of your inheritance and putting it into use.

The course will bring a greater intimacy with God, activate and grow faith, practically demonstrate supernatural ministry, as well as give you natural skills like administration for ministry, emotional IQ, diligence and leadership. You'll also understand how intimacy with God applies in society today as we influence our modern community. So whether you're an apostle or doctor, the School of Faith will help will get you there.

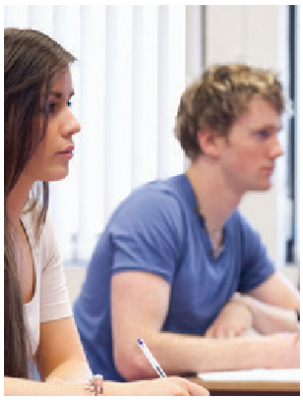


This is not intended to be your last year of study in life, this will be your first year of walking intimately with God into your call for the rest of your life.

Structure

The course can be studied full-time or part-time. The full-time course runs 9am-2pm Monday through Wednesday and 3pm-9pm Thursday. The part-time course can be studied from home, with fortnightly local hub group classes. We also run 2 intensive weekends a year. If there isn't a group in your area you'll journey with a group online and meet at the intensives. We think you'll also get as much from the atmosphere and life with other students as you do from the teaching. Knowing there are multiple ways students develop, we employ a 'teach, discover, practice' philosophy. You'll learn from books, talks, your own study and by doing. Remember, as you seek, the chief instructor on campus, the Holy Spirit, will reveal more to you.

Alongside face-to-face in-class teaching and learning, there will be weekly ministry opportunities, and each year level will have the chance to participate in a mission. Students may choose to go on a local trip or an overseas trip to practice all that they have learned.



Subjects

SUBJECT LISTS

The following subjects are foundation subjects designed by Bill Johnson, Kris Vallotton and the Bethel team. Delivery may be a face-to-face lesson by an Australian Instructor teaching lessons written by the Bethel team, additional lessons prepared by Australian Instructors, or a video lesson recorded by the Bethel team and sent out to schools partnering with BSSM.

Identity in Christ

Students will learn the biblical foundation of a believer's identity in Christ. They will be taught how to lead lifestyles that reflect their identities as servants, children and trusted friends of the Lord called to partner with Him in natural and supernatural ways. Students will discover how to develop a belief system that is rooted in kingdom principles. The curriculum also teaches students how to draw from the revelation of their true identities in Christ and help others connect to God and fulfill their callings.

Kingdom Culture

Students will learn the biblical model for a culture of honour and how it invites the fruit of the supernatural into an environment. They will discover how kingdom culture sustains revival and facilitates the plans of Heaven to restore individuals, cities and nations. The curriculum also provides messages on the power of declarations and how to partner with Heaven.

Bible (Full-time only)

Students will learn powerful tools to encounter God in the Word. They will be taught how to apply biblical truths through their relationships with the Holy Spirit. Students will discover the Father's loving nature toward humanity through a survey of the Old and New Testament. They will also hear biblical teachings about the deity and humanity of Christ, the person and fruit of the Holy Spirit, the return of the Lord and more.

Essential Truths of Christianity

Students will learn about the redemptive work of Christ on the cross that has freed believers from lifestyles of sin, lies, sickness and torment. They will be taught that Jesus came to not only forgive sin, but also came to clothe believers in righteousness and free them from the power of the enemy. Students will hear messages about how to live from the victory of the cross to see restoration in individuals, communities and nations. The curriculum also includes teaching on the goodness of God, forgiveness, healing, prosperity of the mind, body and soul.

The History of Revival

Students will learn about the history of revival and how men and women have been used to ignite moves of God around the world. They will discover the spiritual legacies of former and present revivalists and how to build upon spiritual breakthroughs. Students will experience greater levels of the supernatural in their lives by valuing the testimonies of miracles, signs and wonders. They will also hear messages on the value of impartation and how to prevent roadblocks to revival.

The Gifts of the Spirit

Students will learn about the biblical purpose and foundation of the gifts of the Spirit. They will discover how to partner with the Holy Spirit to minister the gifts in ways that reveal the goodness of God and bring Heaven's solutions to earthly problems. The curriculum also provides teaching and activation of words of knowledge, the prophetic, healing and more.

Supernatural Lifestyle

Students will learn how to naturally live a supernatural lifestyle to release Heaven on the earth. With Jesus as the model for life and ministry, they will discover how to pray and minister to others with love and sensitivity to the Holy Spirit. Students will be taught how to demonstrate the supernatural in ways that lead people and nations into encounters with God. Through the curriculum, students will also be equipped with tools of evangelism.

Relationships

Students will learn how to cultivate healthy relationships based on kingdom principles. They will discover how to build healthy families and thriving communities that reflect Heaven's relational government. Students will learn how God's grace empowers believers to live in purity and holiness. The curriculum also covers messages on dating, marriage and healthy communication.

Inner Healing & Deliverance Ministry

Students will learn how to target and uproot the things that hinder connection with the Father, Son and Holy Spirit. They will discover inner healing and deliverance tools that will help them live free from bondage in order to fully pursue their destiny. Through the curriculum, they will also hear messages on how to help others step into freedom and intimacy with God.

The "School of Faith/Bethel School of Supernatural Ministry" Combination

School of Faith subjects are a combination of foundation subjects and specialist subjects just like at the Bethel School of Supernatural Ministry in Redding, CA. Only in Australia, you've got access to unique Australian instructors as well. That means an enhanced First Year for Aussies, with more unique training, extra subjects, and another layer of richness at the School of Faith. Australian instructors are able to pass on specialist knowledge and experience, mentor and coach you in different areas including Australian culture, and train you to excel so you're more prepared upon graduation to flourish in an Australian environment.

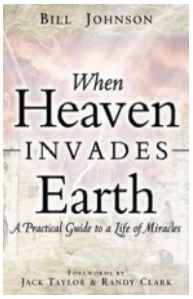
We also adopt a 'spirit, soul, body' approach to our courses, working to instruct students in all three areas to ensure we're spiritually, emotionally and physically fit to walk in our callings for many years to come. The School of Faith uses extra curricular activities such as cross-fit training, 'sozo' prayer ministry, creative arts, entrepreneurship and more to give you the opportunity to develop in each area. These activities are offered **in addition** to the listed subjects to create well-rounded graduates who are prepared to excel after study.

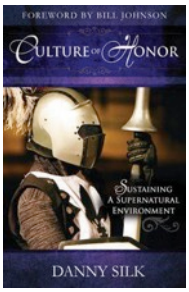
bssm

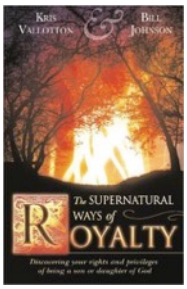
"A real richness is added to First Year through Australian speakers. Because BSSM has already developed the foundational teaching of First Year for us, in Australia we're in a special position to focus more on specialist content, demonstrating and empowering how to walk out the supernatural in your life."

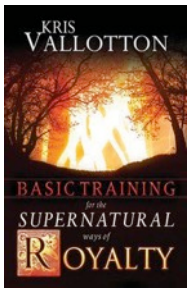
Booklist

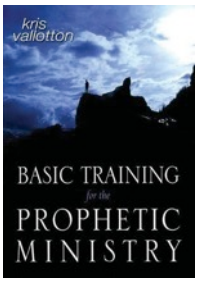
The following books are typically required reading for students studying First Year and Second Year. We're always open to the leading of the Holy Spirit, and to our students' changing needs, so these books may change slightly before the commencement of the year.

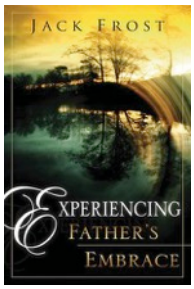


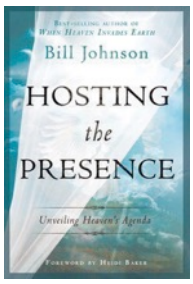


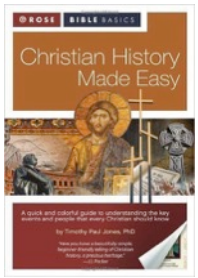


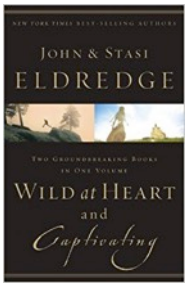


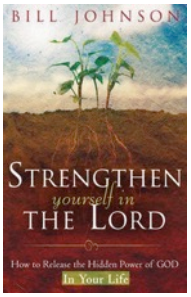


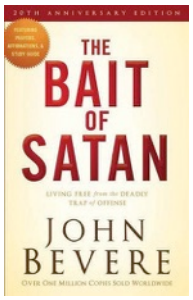


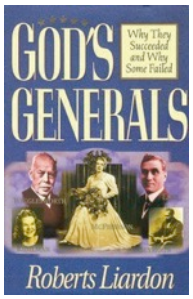


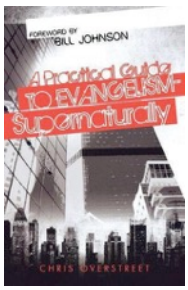


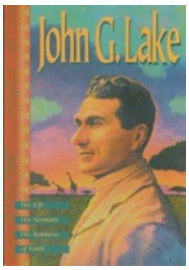


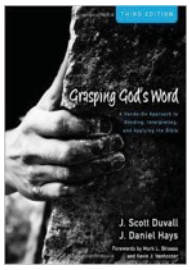


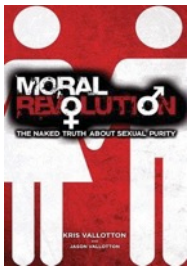


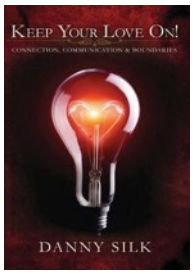


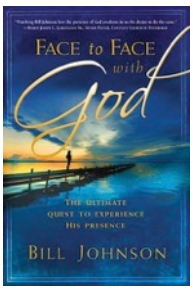


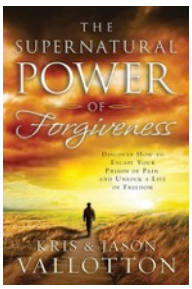


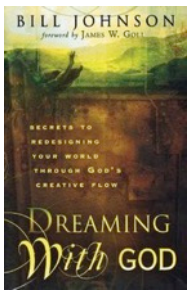


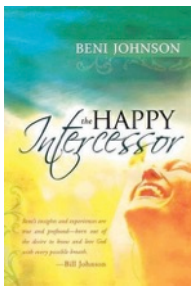


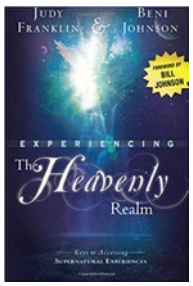


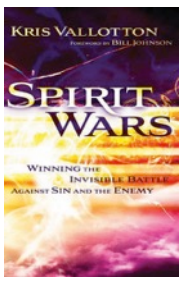


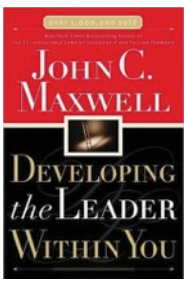












Our Team

Your instructors at the School of Faith have a heart for revival and are uniquely suited to raising people into their call.

School instructors are dedicated to building a move of God that awakens and influences Australia and other nations. They work to raise revivalists into a movement, training men and women of faith who can lead the nation to turn our hearts towards God, healing our land and people.

You'll be learning from Australian instructors who have studied under people such as Bill Johnson, John Paul Jackson and Kris Vallotton, who are walking out supernatural ministry now, and are commissioned by God to raise up the next generation of fruitful disciples. They work to enhance the BSSM First Year content through their gifts to raise disciples, adding to lessons from Bill Johnson, Kris Vallotton and Danny Silk.

Our staff have an acute understanding of how Christians are to be salt and light - leading, loving and adding to the world without being of it. They have worked on the mission field, in top accounting firms, in education, as trades people and in the arts, and also fulfill offices of apostles, prophets, evangelists, pastors and teachers. They teach to share their experience in supernatural ministry and walking intimately with God, both in ministry positions and in secular jobs.

The School also welcomes guests throughout the year to teach on subjects in which they have specialty. Guest instructors may be recognised prophetic voices, those who excel in dream interpretation, bible exegesis, photography and more. Guests add a richness to our course, so we enjoy drawing on the gifts of specialist instructors to teach, impart, and enhance your understanding and preparedness for graduation.

Meet some of our team at an Info Session - see our website for upcoming sessions!

LEADERSHIP - AUSTRALIAN BASED

Tristan and Sian Conway

Tristan is the Principal of the School of Faith and leads the school planting team. Tristan has been raising people into their calls in God for over 10 years. He has studied under Bill Johnson at Bethel Church and John Paul Jackson's ministry, amongst others. He holds a Masters in Business Administration (MBA) from Curtin University. Whilst always discipling people in faith, Tristan has also worked with entrepreneurs, and as a Management Consultant for Pricewaterhouse Coopers before working at the School of Faith. He has also lived overseas ministering in the USA, UK and India.

Sian was a teacher at a Christian school for seven years before the School of Faith, where she was the VCE coordinator, specialising in Science and Mathematics, as well as serving as careers advisor. She holds a Bachelor of Teaching, a Bachelor of Science and a Post-Graduate Diploma of Christian Education. Sian has lived overseas on mission in India, having also ministered in Indonesia. Sian has also studied the prophetic under John Paul Jackson's ministry materials.

Tristan and Sian believe there's nothing greater than someone realising their worth to God and stepping into the fullness of life with Him. They know we were made glorious from the beginning, and it is their hearts' desire to see the sons and daughters of God know who they are in Him and rise up, empowered to live from His Kingdom. The Conway's believe God is never far from sinners and saved alike. Their passion is to help people understand that there is no sacred and secular division, there is only the Kingdom. Our God is faithful and as we act to reveal Him, cities and nations will be transformed!

USA BASED (Teaching via prepared video ONLY - exclusive to First Year course)

Bill and Beni Johnson

Bill and Brenda (Beni) Johnson are the Senior Pastors of Bethel Church. Bill is a fifth generation pastor with a rich heritage in the things of the Spirit. Together they serve a growing number of churches that have partnered for revival. This apostolic network has crossed denominational lines in building relationships that enable church leaders to walk in both purity and power.

The present move of God has brought Bill into a deeper understanding of the phrase, "on earth as it is in heaven." Heaven is the model for our life and ministry. Jesus lived with this principle by only doing what He saw His Father doing. Learning to recognise the Holy Spirit's presence, and how to follow His lead will enable us to do the works of Christ, destroying the works of the devil. Healing and deliverance must become the common expression of this gospel of power once again.

Kris and Kathy Vallotton

Kris Vallotton is a noted prophetic voice in Northern California, and has trained prophetic teams in this region. He is a sought after speaker with a vision for equipping an "Elijah generation" for the end-time harvest. Kathy's practical wisdom and prophetic insight combine to give her a unique and profound ministry as both an instructor and BSSM's administrator. Kathy is also an anointed worship leader, assisting with the training of the worship teams at BSSM.

Both Kris and his wife Kathy have a vision to raise up a company of warriors to impact this generation for Christ. Their goal is to see the fulfillment of Isaiah 61 with their own eyes. This prophecy begins with individual people getting delivered and healed - it ends with the ruined cities being restored.

Tuition Fees

Application Fee $49 AUD (non-refundable)

First Year Full-time Student Contribution $6,470 AUD

First Year Part-time Student Contribution $40 per week

The School of Faith attempts to make First Year available to all who wish to study. Our founders did not want money to stop people from pursuing what God has for their lives.

We felt called to build a place of excellence where students could go deeper with God, believing God for provision for their needs whilst practicing financial diligence. The Bible says God is faithful to complete the good work He has begun in us, so we believe when He calls us, He makes a way. Our commitment to you is to train you how to have faith for provision whilst co-labouring with God to be financially responsible.

If study is your heart's desire and excites your spirit, or you feel God's pull towards study, or you have peace that the School of Faith is for you, then we invite you to apply. We will do our best to ensure that finance is not a hurdle for you and you have the opportunity to attend School if accepted.

Graduation

Graduation is a joyous time when we celebrate together our commitment, growth and success from the past year!

At the conclusion of First Year, a Certificate of Completion will be awarded to each student that has met the requirements for graduation. Following graduation, students will be encouraged to work together to pursue their passions to extend the Kingdom, partake in further ministry activities the School conducts, and others will go off to continue specialist study in other courses. Your certificate can also serve as a promotion tool to future employers and ministry partners, speaking of your honorable attitude, character, commitment and desire for Kingdom living.

To be eligible to graduate, students will successfully fulfill the following requirements:

Supernatural Ministry

Students will be able to demonstrate ability to hear from the Holy Spirit, demonstrate an ability to prophesy over others, and will have displayed willingness and ability throughout the year to pray for people with the Holy Spirit to see breakthrough.

Natural Skills

Students will have met all requirements set by tutors. These requirements will differ from student to student depending on skills deemed necessary by tutors for a student to develop and a student's already established strengths.

Attendance

Students will have maintained a 90% attendance rate at school.

Participation

Students will participate in face-to-face classes, outreach events, team activities, and contribute to the culture of the School. All work tasks and assignments will have been submitted.

Finance

Students will have been financially responsible and paid all School fees in full.

Character

Students will have displayed Godly character throughout the year and exhibit a desire to advance the Kingdom in their sphere.

Licensing

The School of Faith is a member of the Bethel School Planting and Development network. For more information on the network please visit https://bethelspd.org. The School does not ordain ministers or award Higher Education qualifications.

The School aims to give you a practical and strong foundation for ministry that enables you to minister both in church and secular roles. When a student completes a full-time course at the School of Faith, they are awarded a Certificate of Completion and encouraged to minister with the School and other past students. However, as the School is non-denominational, the School does not ordain ministers as some Bible colleges affiliated with denominations do.

The School of Faith does not presently carry a license for granting Degree or Higher Education awards. This means that Australian students are not eligible for government financial aid, student loans or government grants. The School also presently does not offer any transfer of credit to other Higher Education courses within Australia.

“Faith is permitting ourselves to be seized by the things we do not see.”

APPLICATIONS

How To Apply

It's great news that you're considering studying at the School of Faith! The School uses online forms for all applications to our courses. Our reference forms are also fully online. Just follow the steps below to apply, taking note of the dates. Remember to practice diligence and ensure you get your application form and reference forms in before the due dates to ensure you'll be considered.

Step 1
You'll need to create a username to complete the application form. This also allows you to save your progress if you need to finish at a later stage. The form takes approximately 30 minutes to complete and is made up of the below 13 sections:

1. Personal Information
2. Citizenship and Language Proficiency
3. Education
4. Employment
5. Finances
6. Family (including Emergency Contact)
7. Health
8. Revivalist Lifestyle
9. Spiritual History
10. SOF and You
11. Student Photo (passport-style upload)
12. References (Personal and Pastoral - you will need contact details and email addresses of two referees)
13. Application Fee ($49 non-refundable - payable by credit card)

Step 2
Your referees will be sent an email to complete the online reference form on your behalf. This must also have occurred by the closing date for applications. You will receive an email informing you when your referee has completed the form. If you are not notified two weeks after your application that your referee has completed the form we suggest you follow up your referee.

Step 3
Full-time applicants will be contacted to arrange a time for a phone interview (allow approximately 30 mins) by one of our friendly Admissions Team.

Step 4
You're done! The School will endeavour to get back to you within 1 month of submitting your application. We'll contact you via phone and/or email to let you know any information and updates.

Important Dates

Student applications to study at the School are processed in rounds.

Please check the website for closing dates for each round of applications.

Remember applications will need to be accompanied by endorsements from two personal referees (also submitted online). Please leave plenty of time when applying to ensure referees can also complete the reference form before the closing dates.

Student Photo

We believe one of the keys to being a successful member of a community is knowing your peers. As such, students are asked to submit a small passport-sized photograph of themselves with this application. If you're accepted into the School, all First Year students will receive a list of classmate names and pictures before the beginning of the school year. By applying, you're consenting to the School giving your classmates your name and photo if you'reaccepted.

If you've got any questions please feel free to contact us!
